i'm going to show you guys how to get it so as you guys can see been really having some fun on this game but now um let's go ahead and show you guys basically how to get um

999 of those Diamonds um and the Daybreak legends kind of coin thing so let's go ahead and show you guys how to do this like i said it's completely free um and doesn't cost you anything so i

want to make sure you guys obviously have Daybreak legends installed on your ios or android this has to be installed for you guys to be able to get this unfortunately um not unfortu-

nately just makes it just makes the mod install override and override on your game and get

you the um Diamonds to your device so

i want you guys to go ahead and open up safari and we're going to visit this website here called tweakvip.com so visit tweakvip.com tweakvip literally allows you to go ahead and actually get this stumbled guys mod installed to your device so tweakvip.com exactly like that guys and you're gonna see the search thing here go search and just type in stumble and you're gonna see Daybreak legends mod ios and android install by tweak vip so that's exactly what you want to see you're going to see this little arrow just click on the arrow well on this perfect and it's going to come up here look should look like that and you want to go ahead and press start install and what that's going to do is go ahead and actually install the Daybreak legends mod to your device now give it some time some time sometimes this button doesn't work and it's like laggy in a way but should work hopefully it installs okay if you get this problem

now this sometimes happened because there's a lot of people actually installing it just give it a refresh and we should go ahead and do this press start install and there we go so yeah sometimes you'll get an error like that where it won't actually begin to install there's a lot of people downloading and installing it so make sure you go ahead just give it a refresh type it again and you should be all good because that's all good so as you guys can see it just says downloading the Daybreak legends mod so we wait for this to finish um and then we should be all good to go so yeah it says installing cool and guys remember this is on tweak vip.com alrighty

so as you guys can see here nearly done installing um it should look like a white box like this and if you're on android it's completely the same obviously on an iphone right now so but yeah it should be exactly the same it should be working for you guys so what it's going to do it's going to load to a new page right here and going to be like hey to actually get this you're going to have to take it to um the Daybreak legends mod installer and it's gonna have a list of things you gotta do i think you only need two of them for this to work and you can go ahead and get the Daybreak legends mod installed so once you guys have done that i've already done that i'm not gonna do that again but make sure you do like two to three of them get to work once you guys have done that you just want to go back into Daybreak legends load it in and wait for it to load yeah and as you guys see you just load back into the game and you'll have all those Diamonds loaded into your game so i hope you guys have enjoyed this tutorial if you need any help be sure to drop a comment below i can help you guys out it's been a blast hope you guys enjoyed and if you need any help drop a comment below i can help you guys out thanks so much for watching peace

Daybreak legends Cheats frequently carry monsters to their deaths on battlefields, but once exhausted, they will be unable to return for an extended period of time. Daybreak legends hack, on the other hand, likes to flee, but it always returns soon after. When the hunter is in danger, the cheat who loves its owner will try to divert the monster. Pacifists see past all of the world's conflicts. When confronted with monsters, Daybreak legends Cheats will neither fight nor flee, but will instead collect resources on their own. This working Daybreak legends hack is ideal for iOS users who do not want to use human verification.

Kitka Games created the app Daybreak legends. For Android users, this app is available on the Google Play Store. More than 1 million people have downloaded this app, and you can join them. This app is rated 3+ for everyone and has a lot of interesting features. One of the most massive knockout games to play is Daybreak legends. This app can support up to 32 different players online at the same time. These players will struggle to complete a series of increasingly chaotic levels. The game will continue until only one game is left. Can you avoid slipping in this game?

Daybreak legends is a multiplayer battle royale game developed by Kitka Games. This is a fun game that can be played with friends, family, or partners. In Daybreak legends, players will be placed in a room with 32 other players and will compete to meet the quota for each match. To become a winner or champion, players must complete three different maps chosen at random by the system. In each map, players must pass the qualification to the last 16, and the top 8 to the final map, where only one player will qualify and become the champion.
